In accordance with the decision the following were appointed:

Portsmouth, N. H., February 6, 1910.

At a meeting of the Rockingham County Delegation held in Concord on the 3d inst., it was voted that the Chairman appoint a committee of five to investigate the question of the court house at Portsmouth and report their findings to the delegation.

In accordance with that vote I will appoint the following committee and suggest that they notify Mayor Adams, of this city, when they will come here for the purpose of considering the question submitted to them.

The committee will be as follows:—Albert O. Alexander, of Windham; George D. Rand, of Chester; Isaac W. Carr, of Greenland; Edward B. Weston, of Derry; Peter Ladd, of Epping.

WALLACE HACKETT,  
Chairman of Rockingham County Delegation.

---

Concord, N. H., February 24, 1910.

The Rockingham County Delegation met in Union Hall at 2 p. m., about thirty-four Representatives being present.

The special committee, recently appointed to consider the proposed transfer of the Court House to the city of Portsmouth, reported in substance as follows:

The committee had visited Portsmouth and had inspected the Court House on February 19. Mr. Marvin, of Newcastle, had replaced Mr. Carr, of Greenland. It was found that repairs were needed, aggregating about \$1,000. All the rooms of the building

were in use during the October term of Court, while the County Commissioners and the Probate Court used the first floor. The Court House, as a whole, was needed no small part of the year for Superior Court purposes. Mayor Adams, of the city, had made the proposition that the County of Rockingham deed the building and land to Portsmouth, reserving to itself, however, the second floor for Superior Court purposes.

Remarks were made by Messrs. Hackett, Alexander, Weston, Ladd, Rand, of Chester, Torrey, Payne, of Derry, and Stevenson.

The proposition of Mayor Adams was not accepted, and no counter offer was agreed upon.

On motion of Mr. Payne, of Derry, it was unanimously voted that further consideration of the question be indefinitely postponed.

On motion of Mr. Weeks, of Exeter, the following resolution was adopted:

Resolved: That the incoming board of County Commissioners be and are hereby authorized to expend a sum not exceeding two hundred and fifty (\$250) to hire architects and secure plans for an Administration Building, Hospital, and a separate building for the maintenance of male and female inmates at the Rockingham County Farm at Brentwood.

On motion of Mr. Stevenson, of Exeter, the meeting adjourned.

Concord, N. H., April 7, 1910.

The Rockingham County Delegation met in Room 5, State House this noon at the commencement of the recess, to present Chairman Hackett, in token of their esteem and respect, with a large 4 feet by 3 feet framed picture of the County Representatives and Senators, consisting of individual photographs of the members. Ex-Chairman Anderson made a short, but interesting presentation speech, to which Mr. Hackett feelingly and wittingly replied.

As the session of the Legislature was drawing to a close, remarks on the welfare of the state were made by Mr. Jones, of Portsmouth, Mr. Hackett, and by Mr. Holmes, of Nottingham.

On motion of Mr. Philbrick, of Portsmouth, the following vote was passed:

Resolved: That if Senate Bill 41, entitled "An Act to Define the Duties of County Treasurers with Respect to Depositing County Funds," passes and becomes a law at this session of the Legislature, that the salary of the Treasurer of Rockingham County shall, in that event, be increased from \$300 to \$500 per annum, beginning at the time that said law shall go into effect.

On motion of Mr. Sawyer, of Rye, the following resolution was adopted:

Resolved: That Mr. Sawyer, of Rye, be authorized to extend as the sense of this delegation, its sympathy and best wishes to one W. J. Breed, of North Hampton, now employed by the government in Washington, the same to be sent to United States Senator Jacob H. Gallinger, of this state.

On motion of Mr. Corson, of Hampstead, the meeting adjourned.

STATE OF NEW HAMPSHIRE.—Rockingham, ss.

# Commissioners' Report

---

In accordance with the requirements of the Public Statutes of the state of New Hampshire, the Commissioners herewith submit the report of their business transactions for Rockingham County for the year ending December 31, 1910, together with the reports of the other county officials.

The affairs at the County Farm and House of Correction have been under the management of Mr. and Mrs. Trottier to the satisfaction of the Commissioners. We are confident both superintendent and matron have endeavored to accomplish the end for which the institution was established; to furnish everything comfortable for the inmates, kindly caring for the sick, and performing all the duties to which the unfortunate poor are entitled, but in no way to encourage indolence and pauperism and fill the institution with people too lazy to care for themselves.

The question of giving relief to those having no Town Settlement is a very important one, and good judgment should be used to ascertain whether those asking charity are deserving, for there is a class of people who solicit public charity at the same time making no effort to help themselves.

There is an opinion manifest among the citizens and Overseers of the Poor that those asking assistance can be supported in their own towns for the same price per week as at the farm. Our experience is that whenever such poor people become sick their friends as a general rule soon realize it is not their duty to wear themselves out caring for them without compensation, at times incurring an expense amounting to ten or twelve dollars per week, whereas at the farm the cost of their support would be no more than for any inmate, and at the same time they would receive better nursing, doctoring and accommodation in every way than before coming there to live.

Dr. Mitchell has faithfully attended the sick and insane. The health of the inmates has been good and the death rate about the same as preceding years.

Chaplain Matthews has been unwearied in his exertions to present the truth in its simplest form and yet in an impressive manner. We hope much good may result.

We have completed the new stable of which we think that the county can be justly proud.

The Commissioners recommend that an addition be built on the present jail to accommodate about fifty prisoners, which we think could be done at a cost of twenty thousand dollars.

For the financial standing of the county we refer you to the report of the county treasurer.

Thanking all officials and citizens of the County for their aid and assistances, we remain

GEORGE A. CARLISLE,  
W. A. HODGDON,  
JOHN P. HARDY,

Commissioners of Rockingham County.

# Physician's Report

---

Epping, N. H., Jan. 2d, 1911.

To the Honorable Board of Commissioners of Rockingham County:

Gentlemen:—It is both a duty and a pleasure to submit the following annual report of the medical part, vital statistics, the sanitary conditions and the needs of the County Institution at Brentwood for the year ending Dec. 31st, 1910.

There has been among the inmates no epidemic but an unusual amount of sickness requiring constant nursing by attendants and great care from the Superintendent and Matron.

A large part of these invalids had been recently admitted because they had no other place or to spend their last days and be comfortably cared for.

On April 1st, 1910, Mr. Albert Trottier became superintendent and Mrs. Trottier matron. Mr. Trottier having acted as assistant to two former superintendents was not a stranger to the position nor to the place. Mrs. Trottier very quickly and cleverly found herself or rather her function.

The results to date bespeak a very successful future for their management.

To them and to the entire force of able employees I gladly acknowledge obligations for assistance and cooperation in the discharge of my duties and for personal courtesies. The erection of a long-needed, new horse barn—a splendid structure—emphasizes afresh the equal need at least of better accommodations for the human inmates, the help, the Superintendent and his family.

The great kittles still boil in the basement disseminating dampness and various odors through the building.

There have been 79 prisoners on the roll at once while there are but 30 cells yet the jail—what there is of it—is a far better building than the almshouse where in many of the smallest rooms two beds have to be placed to accommodate the poor and feeble and the jail overflow. This does not allow a normal air space per capita and unavoidably mingles more or less the prisoners, the children and the aged.

There is a constant struggle with cold, dirt, vermin and rats in this the oldest and poorest almshouse in the state.

This ancient, wooden, 4 storied structure is a veritable fire-trap where only kind Providence and incessant watchfulness have prevented an awful holocaust.

The financial condition of the county, the very creditable public buildings supported elsewhere in the county, the goodly stables for cows, horses and pigs, the brick asylum, the artesian well and the great, productive farm strikingly indicate the one essential thing lacking.

Respectfully submitted,

A. W. MITCHELL, M. D.

## Chaplain's Report

---

Brentwood, N. H., December 21, 1910.

To the Board of Commissioners of the Rockingham County Farm:

Gentlemen:—I gladly report the work of the past year as Chaplain of the Rockingham County Farm. Services have been held regularly in the chapel and, judging by the average number in attendance, the interest has been very good. Mrs. Parshley's presence as organist is much appreciated. Patients have been visited in the hospitals and several individuals have received special counsel. A number of lifting services of departed inmates have been conducted.

Respectfully submitted,

J. DODD MATTHEWS, Chaplain.

CEYLON SPINNEY, Sheriff and Jailer.

### JAIL PHYSICIAN'S REPORT

January 1, 1911.

Sheriff Ceylon Spinney:

Dear Sir:—During the past year there have been many minor complaints. There have been no major surgical operations, though several minor operations have been performed. However there was an epidemic of diphtheria at the jail, it being confined to the lower cage.

This demanded a great deal of care and observation to prevent its spread, and was a source of some anxiety until it was exter-

inated. The jail was thoroughly fumigated from top to bottom, and there has been no return of the disease since.

The jail is well ventilated and roomy; moreover, it is kept in a sanitary and orderly way.

There have been no deaths during the year, though some of the patients have been exceedingly ill.

My relations with the authorities at the jail have been pleasant, and they have been very courteous to me at all times.

Very truly,

HERBERT L. TAYLOR, M. D., Jail Physician.

### EXETER JAIL REPORT

Exeter, N. H., December 31, 1910.

To Ceylon Spinney, Esq., Sheriff of the County of Rockingham.

Greeting:—During the year inclusive today sixteen commitments, fourteen males and two females were made to the jail at Exeter charged with the following offenses: Assault 6, safe keeping 3, adultery 1, selling liquor 1, refusing to pay fine 1, non-support 1, showing person 1, larceny 1, obtaining money under false pretenses 1.

With the exception of one who committed suicide, and one now in jail, these have been discharged from this jail during the year. The highest number in the jail at any one time during this period was three, the lowest number one, and the average number practically was one.

Respectfully yours,

BURLY S. McGAUGHY, Jailer.

All of which is respectfully submitted.

CEYLON SPINNEY, Sheriff.
